Payment of zone fees may be deferred under certain circumstances, defined in King County Code 14.75.080. A fee of \$250 per application is charged to defer zone fees due at approval of plats, short plats, binding site plans, or planned unit developments until building permits are issued. A fee of \$85 per permit is charged to defer zone fees due at issuance of building permits until certificate of occupancy.

Low-income housing projects may be eligible for exemption or reduction of zone fees, per King County Code 14.75.140.
